For a period of five (5) years commencing from the date the Court issues a final approval order, Barlean’s agrees not to use any of the following statements on the Coconut Oil Products, except to the extent they are modified to conform with the requirements for nutrient content or health claims that are, at that point in time, applicable under federal and state law:

To the extent any of the aforementioned claims are currently on the Coconut Oil Products, Barlean’s shall have 180 days from the date of the Final Approval Order to remove such claims or otherwise modify them as set forth above (the “Grace Period”). Barlean’s shall not be liable for any sales of Coconut Oil Products that are delivered to retailers before the expiration of the Grace Period and in no event shall Barlean’s be required to recall any Coconut Oil Products that have already been delivered to retailers or Class Members prior to the expiration of the Grace Period.

For the avoidance of doubt, this injunction shall not apply to information that is required or otherwise permitted by law to be included in the Coconut Oil Products’ nutrition facts panel, such as, by way of example and not limitation, information disclosed in the nutrition facts panel disclosing the amount of trans fat and/or cholesterol in the Coconut Oil Products.

2.3 Common Fund for Class. Within forty-five (45) calendar days following entry of the Preliminary Approval Order, Barlean’s or any other entity on its behalf, shall deposit One Million Six Hundred Twelve Thousand Five Hundred dollars (\$1,612,500.00) into a Common Fund, through the Claims Administrator, to be held in trust.

The Common Fund shall be administered by the Claims Administrator. The Common Fund shall constitute the funds available to compensate Class Members, the Claims Administrator, Class Counsel, and the Class Representatives. The Common Fund, after deducting any attorneys’ fees and costs, class representative incentive payments, and notice and administration costs as approved and awarded by the Court, shall be paid to those Class Members who submit a timely and valid claim, as determined by the Claims Administrator.

Class Members who have their claims validated by the Claims Administrator will be reimbursed for each unit of the Coconut Oil Products purchase as follows:

| Estimated <i>Per Unit</i> Reimbursement Without Proof of Purchase | | | |
|--|---------------|-------------------------|------------------------|
| | Virgin | Culinary/Refined | Butter Flavored |
| 16oz. | \$ 4 | | \$3 |
| 32oz. | \$ 7 | \$5 | \$3 |
| 60oz. | \$ 7 | \$5 | |

Class Members who submit claims with valid proof of purchase, as determined by the Claims Administrator, will receive the allotted amount, subject to pro-rata adjustments, for each unit that they submit valid proof of purchase. Class Members without proof of purchase will be able to submit claims for up to five (5) units (single containers) of the Coconut Oil Products.

Pro rata Adjustments and Cy Pres. If the total amount of funds claimed by Class Members is less than the total amount of the fund that is available to Class Members after costs and expenses, the excess funds will be distributed to Class Members who submitted Valid Claims on a pro-rata basis that is proportional to the value of each Valid Claim, with such distribution occurring concurrently with the distribution of the original refund amount. If on the other hand, the total amount of funds claimed by Class Members is greater than the total amount of the fund that is available for Class Members after costs and expenses, each claim validated by the Claims Administrator will be reduced on a pro-rata basis that is proportional to the value of each claim validated by the Claims Administrator. In no event shall Barlean's be obligated to add any additional monies to the Common Fund.

If after any pro-rata adjustments in funds to be distributed to Class Members, the total amount of funds claimed and to be distributed is less than the total amount of the fund that is available to Class Members after costs and expenses, the excess funds will be paid to the Tufts University Friedman School of Nutrition or, if not acceptable to the Court, then to a nonprofit to be agreed to by the parties and approved by the Court. Likewise, excess funds that remain after distribution (i.e., uncashed checks), will be paid to the same nonprofits.

2.4 Release of Common Funds. Within seven (7) calendar days following the entry of a Final Approval Order, the Claims Administrator shall pay to Class Counsel the amount of attorneys' fees and costs awarded by the Court, provided, however, that counsel shall be obligated to return to the Common Fund any fees if the amount is reduced prior to the Final Effective Settlement Date. On the Final Effective Settlement Date, the remaining funds in the Common Fund will become available to pay any Court-approved incentive award, and to compensate Class Members. In the event that the Agreement does not obtain final approval from the Court, the Common Fund shall be remitted back to the funding party.

2.5 Attorneys' Fees and Expenses, and Incentive Award. At least fourteen (14) days before the Objection Deadline, Class Counsel and Class Representatives shall file a motion, set for hearing on the same date as the Fairness Hearing, requesting Fee Award and Service Awards, to be paid from the Common Fund.

The Parties have not agreed to any particular amounts that the Class Representative or Class Counsel may seek. Barlean's is not obligated to respond, but may respond to Class Counsel's fee motion and the Class Representative's motion for an incentive award in whatever

manner it deems appropriate. Any Court-approved attorney's fees and incentive award will be paid from the Common Fund. In the event the court does not approve the attorneys' fees and costs requested by class counsel, or the court awards fees and costs in an amount less than that requested by Class Counsel, such award shall not be a basis for rendering the entire Settlement null, void or unenforceable, provided however, that Class Counsel retain the right to appeal any decision by the Court regarding the Court's award of attorneys' fees and costs.

2.6 Settlement Implementation Costs. All reasonable costs of retaining the Claims Administrator to effectuate the Settlement and provide Full Class Notice in the manner prescribed in this Agreement shall be paid from the Common Fund.

3. CLASS SETTLEMENT PROCEDURES

3.1. Settlement Approval. As soon as practicable after the signing of this Agreement, Mr. Testone, Mr. Shanks, and Mr. Pierre shall prepare and file an application requesting that the Court enter the Preliminary Approval Order in substantially similar form as the proposed order attached as **Exhibit 4**.

3.2. Full Class Notice. Subject to Settlement Approval as provided in paragraph 3.1, Full Class Notice will commence no later than fourteen (14) days after entry of the Preliminary Approval Order, consistent with the manner set forth in the Notice Plan (**Exhibit 3**).

The Claims Administrator shall have the discretion to review claims with the objectives of efficiency and effecting substantial justice to the Parties and the Class Members. The Claims Administrator shall have the right to contact Class Members to validate claims. Issues regarding the validity of claims that cannot be resolved by the Claims Administrator shall be submitted to Class Counsel and Barlean's Counsel for resolution and, if no resolution is reached, to the Court. The Parties shall have the right to review any claim handled by the Claims Administrator.

3.4.2 Form of Written Objection. Any objection regarding or related to the Agreement must contain:

- (i) a caption or title that clearly identifies the Action and that the document is an objection;
- (ii) information sufficient to identify and contact the objecting Class Member or his or her attorney if represented;

- (iv) a clear and concise statement of the Class Member's objection, as well as any facts and law supporting the objection;
- (v) the objector's signature; and
- (vi) the signature of the objector's counsel, if any.

3.4.3 Authorization of Objections Filed by Attorneys Representing Objectors. Class Members may object either on their own or through an attorney hired at their own expense, but a Class Member represented by an attorney must sign either the Objection itself or execute a separate declaration stating that the Class Member authorizes the filing of the Objection.

3.4.4 Effect of Both Opting Out and Objecting. If a Class Member submits both a Request for Exclusion/Opt-Out and files an Objection, the Class Member will be deemed to have opted out of the Settlement, and thus to be ineligible to object. However, any objecting Class Member who has not timely submitted a completed Request for Exclusion/Opt-Out will be bound by the terms of the Agreement upon the Court's final approval of the Settlement.

3.4.5 Appearance at Fairness Hearing. Objecting Class Members may appear at the Fairness Hearing and be heard. Such Class Members are requested, but not required, in advance of the Fairness Hearing, to file with the Court a Notice of Intent to Appear.

3.4.6 Right to Discovery. Upon Court order, the Parties will have the right to obtain document discovery from and take depositions of any Objecting Class Member on topics relevant to the Objection.

3.4.7 Response to Objections. The Parties shall have the right, but not the obligation, either jointly or individually, to respond to any objection, with a written response due the same day as the Motion for Final Approval, or as otherwise ordered by the Court.

3.5. Opt-Out Procedures. Class Members who wish to opt out of and be excluded from the Settlement must submit a Request for Exclusion/Opt-Out to the Class Administrator, postmarked or submitted online no later than the Opt-Out Deadline. The Request for Exclusion/Opt-Out must be personally completed and submitted by the Class Member or his or her attorney, and so-called "mass" or "class" opt-outs shall not be permitted or recognized. The Class Administrator shall periodically notify Class Counsel and Barlean's Counsel of any Requests for Exclusion/Opt-Outs. All Class Members who submit a timely, valid Request from Exclusion/Opt-Out will be excluded from the Settlement and will not be bound by the terms of this Agreement, and all Class Members who do not submit a timely, valid Request for

Exclusion/Opt-Out will be bound by this Agreement and the Judgment, including the release in paragraph 4.3 below.

3.6. CAFA Notice. The Class Action Fairness Act of 2005 (“CAFA”) requires Barlean’s to inform certain federal and state officials about this Agreement and proposed Settlement. *See* 28 U.S.C. § 1715. Under the provisions of CAFA, the Class Administrator, on behalf of Barlean’s, will serve notice upon the appropriate officials within ten (10) calendar days after the Parties file the proposed Agreement with the Court. *See* 28 U.S.C. § 1715(b). The costs of such notice will be paid from the Common Fund.

3.7. Motion for Final Approval. A Fairness Hearing to determine final approval of the Agreement shall be scheduled as soon as practicable, subject to the calendar of the Court, but no sooner than one-hundred-and-twelve (112) calendar days after entry of the Preliminary Approval Order. If the Court issues the Preliminary Approval Order and all other conditions precedent of the Settlement have been satisfied, no later than twenty-eight (28) calendar days before the Fairness Hearing all Parties, individually or collectively, will move the Court for entry of the Final Approval Order in substantially similar form as the proposed order attached as **Exhibit 5**, with Class Counsel filing a memorandum of points and authorities in support of the motion. Sprint Corp.*, 598 F.3d 581 (9th Cir. 2010), are based on the identical factual predicate as the underlying claims in this Action or depend on the same set of facts alleged in the Action regarding the Coconut Oil Products.

In addition, with respect to the released claims specified in Section 4.3 of this Agreement, Mr. Testone, Mr. Shanks, and Mr. Pierre, on behalf of themselves expressly and affirmatively waive and relinquish all rights afforded by California Civil Code Section 1542 to the fullest extent permitted by law, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

In addition to the foregoing waiver of Section 1542 of the California Civil Code, upon the Final Effective Settlement Date, the Class Representatives and each member of the Settlement Class, and each of their successors, assigns, heirs, and personal representatives, shall be deemed to have waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or any foreign country, and any and all principles of common law that are similar, comparable, or equivalent in substance or intent to Section 1542 of the California Civil Code.

Upon the Final Effective Settlement Date, Mr. Testone, Mr. Shanks, and Mr. Pierre and each Class Member shall be deemed to have given and will be bound by the Covenant Not To Sue in favor of each Released Party. "Covenant Not To Sue" means for and in consideration of the Settlement, each Class Member shall be deemed to have covenanted that he or she will not in the future: (a) assert any claim for economic injury, damages (including statutory damages), or for an injunction related to the Coconut Oil Products and arising out of the facts and/or claims asserted in the Action; or (b) assert or maintain any Released Claim, directly or indirectly, against any Released Party in any court or other forum on behalf of the Class Member.

5.1 This Agreement is being entered into only for the purpose of settlement. In the event that (a) the Court does not approve the Settlement or a Final Approval Order and Judgment is not entered for any reason, or (b) the Final Effective Settlement Date does not occur for any

reason, then either party may declare void ab initio the Agreement and Preliminary Approval Order, and all of their provisions shall be vacated by its own terms, and the Action shall revert to the status that existed prior to the execution date of this Agreement.

5.2 If there is a change in state or federal food labeling laws or regulations that expressly permits the use of any of the terms listed in paragraph 2.2, then the injunction provided in paragraph 2.2 shall terminate automatically as to those terms that become permitted by a change in law when the change in law goes into effect. Upon such an occurrence, Barlean's may label and market its Coconut Oil Products in accordance with such state or federal laws or regulations. Notwithstanding the foregoing, every other term of this Agreement shall remain in full force and effect.

UNITED STATES DISTRICT COURT FOR THE
SOUTHERN DISTRICT OF CALIFORNIA

NOTICE OF CLASS ACTION SETTLEMENT

MICHAEL TESTONE ET AL. v. BARLEAN'S ORGANIC OILS, LLC,
Case No. 3:19-cv-00169-RBM-BGS (S.D. Cal.)

*The United States District Court has authorized this notice.
This is not a solicitation from a lawyer.*

***IF YOU PURCHASED BARLEAN'S ORGANIC VIRGIN COCONUT OIL, ORGANIC
CULINARY COCONUT OIL, OR ORGANIC BUTTER FLAVORED COCONUT OIL,
YOU MAY BE ENTITLED TO A CASH PAYMENT***

THIS NOTICE CONCERNS YOUR LEGAL RIGHTS
PLEASE READ IT CAREFULLY

WHY ARE YOU RECEIVING THIS NOTICE?

- This settlement resolves a lawsuit (the "Action") against Barlean's Organic Oils, LLC (hereinafter "Barlean's"), alleging that Barlean's, which marketed and sold the Barlean's Organic Virgin Coconut Oil, Organic Culinary/Gourmet Coconut Oil, and Organic Butter Flavored Coconut Oil (collectively, the "Coconut Oil Products" or "Products") that are the subject of the Action, violated certain California, New York, and federal laws by misleadingly marketing the Products as healthy. Barlean's contends the claims asserted in the Action have no merit, denies the allegations in the Action, denies that Class Representatives have been damaged in any sum whatsoever, and contends that it has affirmative defenses that could eliminate or reduce liability and monetary recovery in this case. However, to avoid the cost of litigation, and potential risks for both sides, the parties have reached a Class Action Settlement Agreement, which was preliminarily approved by the United States District Court for the Southern District of California on [DATE].
- If, you purchased any of the following products, Barlean's Organic Virgin Coconut Oil (16-, 32-, or 60-oz.), Barlean's Organic Culinary Coconut Oil (32-, or 60-oz.), or Barlean's Organic Butter Flavored Coconut Oil (16- or 32-oz.), between January 24, 2015 and [Preliminary Approval Date], for your own personal or household use and bearing at least one of the Challenged Claims (listed on Settlement Website), you may be a member of the settling Class.
- The Court requires this Notice because you have the right to know about the proposed Settlement and about all of your options before the Court decides whether to approve the Settlement. This Notice explains the lawsuit, the settlement, your legal rights, what benefits are available, and how to get them.

- All Class Members who do not exclude themselves from the settlement will receive the relief provided for in the settlement and will be bound by the orders issued by the Court regarding the settlement.

WHAT ARE THE TERMS OF THE PROPOSED SETTLEMENT?

- The two sides disagree on what relief, and how much, could have been won, if any, if the Class won at trial. The settlement avoids costs and risks to you from continuing the lawsuit, provides relief to affected persons like you, and releases Barlean’s and others from liability for the related claims.
- The proposed class action settlement will provide \$1,612,500 in funds to pay all aspects of Settlement (the “Common Fund”), including Class Member claims, notice, administration, Plaintiffs’ service awards, legal expenses, and attorneys’ fees. Barlean’s will also be prohibited from using any of the Challenged Claims for five years, absent a change in law or modifications that conform to applicable federal and state law.
- Class Members who have their claims validated by the Claims Administrator will be reimbursed for each unit of the Coconut Oil Products purchase as follows:

| Estimated <i>Per Unit</i> Reimbursement Without Proof of Purchase | | | |
|--|---------------|-------------------------|------------------------|
| | Virgin | Culinary/Refined | Butter Flavored |
| 16oz. | \$ 4 | | \$3 |
| 32oz. | \$ 7 | \$5 | \$3 |
| 60oz. | \$ 7 | \$5 | |

Class Members who submit claims with valid proof of purchase, as determined by the Claims Administrator, will receive the allotted amount, subject to pro-rata adjustments, for each unit that they submit valid proof of purchase. Class Members without proof of purchase will be able to submit claims for up to five (5) units (single containers) of the Coconut Oil Products.

If the total amount of funds claimed by Class Members is less than the total amount of the fund that is available to Class Members after costs and expenses, the excess funds will be distributed to Class Members who submitted Valid Claims on a pro-rata basis that is proportional to the value of each Valid Claim, with such distribution occurring concurrently with the distribution of the original refund amount. If on the other hand, the total amount of funds claimed by Class Members is greater than the total amount of the fund that is available for Class Members after costs and expenses, each claim validated by the Claims Administrator will be reduced on a pro-rata basis that is proportional to the value of each claim validated by the Claims Administrator. Barlean’s will not be obligated to add any additional monies to the Common Fund.

If after any pro-rata adjustments in funds to be distributed to Class Members, the total amount of funds claimed and to be distributed is less than the total amount of the fund that is available to Class Members after costs and expenses, the excess funds will be paid to the Tufts University

Friedman School of Nutrition, or, if not acceptable to the Court, then to a nonprofit to be agreed to by the parties and approved by the Court. Likewise, excess funds that remain after distribution (i.e., uncashed checks), will be paid to the same nonprofits.

- Class Counsel will petition the Court for a fee award in an amount no greater than 33% of the common fund (\$537,500), and actual litigation expenses, and each Class Representative will seek a service award of no more than \$7,500.

BACKGROUND ON THE LAWSUIT & SETTLEMENT

The lawsuit seeks to obtain compensation for alleged violations of California consumer protection statutes including the Unfair Competition Law (UCL), False Advertising Law (FAL), and Consumers Legal Remedies Act (CLRA), and for Breach of Express and Implied Warranties; and for violations of New York's Unfair and Deceptive Business Practices Law, False Advertising Law, and for Breach of Express Warranties.

After the parties engaged in substantial investigation, discovery, and settlement negotiations, Plaintiffs and Defendant have reached an agreement providing for the settlement of the lawsuit. The terms of the proposed Settlement are set forth in the Settlement Agreement filed with the Court, which is also available online, at www.BarleansCoconutOilSettlement.com. The proposed Settlement Class covers the time period of January 24, 2015 to [the date of preliminary approval].

Plaintiffs and Class Counsel have evaluated the information made available in the course of the lawsuit and have taken into account the risks and uncertainties of proceeding with this litigation, including the risks and uncertainties of class certification, prevailing on the merits, proving damages at trial, and prevailing on post-trial motions and appeal. Based upon their consideration of these factors, Plaintiffs and Class Counsel believe it is in the best interests of the Class to settle the lawsuit on the terms described below.

Barlean's denies Plaintiffs' allegations and any wrongdoing, and the Class's right to recover anything. Nevertheless, it has agreed to settle the lawsuit for the purpose of avoiding the time and expense of further litigation.

THE CLASS

The Court has certified a Settlement Class consisting of:

All persons who in the United States, during the Class Period, purchased Coconut Oil Products (defined below), for personal or household use.

Excluded from the Class are: (a) persons or entities who purchased Coconut Oil Products for the purpose of resale or distribution; (b) persons who are directors and Officers of Barlean's or its parent, subsidiary, or affiliate companies; (c) governmental entities; (d) persons who timely and properly exclude themselves from the Class as provided in the Agreement; (e) persons who signed a release of Barlean's for compensation for the claims arising out of the facts or claims asserted

in the Action; and (f) any judicial officer hearing this Action, including his or her immediate family members and employees.

DO I HAVE A LAWYER IN THE CASE?

The Court has appointed Fitzgerald Joseph LLP as Class Counsel in this case. The Court has determined that Class Counsel is qualified to represent you and all other Class Members. You will not be charged for these lawyers. The lawyers handling the case are experienced in handling similar cases.

Nevertheless, you have the right to consult or retain an attorney of your choice at your own expense to advise you regarding the Settlement and your rights in connection with the Settlement and Final Approval Hearing described below.

YOUR RIGHTS TO PARTICIPATE IN, EXCLUDE YOURSELF FROM, OR OBJECT TO THE SETTLEMENT

The purpose of this Notice is to inform you of this lawsuit so you can make an informed decision as to whether you should remain in or opt out of this Class Action. Your legal rights are affected, and you have a choice to make now. In response to this Notice, you may (1) submit a claim form, (2) ask to be excluded from the lawsuit, (3) object to the proposed Settlement, or (4) do nothing. Those options are summarized in the following table, and then discussed in greater detail below.

| Your Legal Rights and Options in This Lawsuit | |
|--|--|
| Submit a Claim Form | The only way to get a monetary payment. Postmark or submit your Claim Form online by [DATE (within 70 days of commencement of full class notice)]. |
| Ask To Be Excluded | Get out of this lawsuit. Get no benefits from it. Keep rights. If you ask to be excluded, you will not be bound by what the Court does in this case and will keep any right you might have to sue Barlean’s separately about the same legal claims in this lawsuit. If there is a recovery in this case, including under the proposed Settlement, you will not share in that recovery. To opt out of the proposed Settlement, you must submit an opt out form no later than [by [DATE (within 56 days of commencement of full class notice)].] |
| Object | Tell the Court why you believe the proposed Settlement is unfair, unreasonable, or inadequate. You may file a written objection no later than [DATE (56 days of commencement of full class notice)], and/or appear at the Final Approval Hearing to tell the Court why you believe the proposed Settlement is unfair, unreasonable, or inadequate. |

| Your Legal Rights and Options in This Lawsuit | |
|--|--|
| Do Nothing | <p>Stay in this lawsuit. Await the outcome. Give up certain rights.</p> <p>By doing nothing, you will get no cash payment and give up any right you may have to sue Barlean’s separately about the same legal claims in this lawsuit.</p> |

1. Submit a Claim Form

You must submit a Claim Form to get a monetary payment. Claim Forms may be printed or filed online at the Settlement Website, www.BarleansCoconutOilSettlement.com. Claim Forms are simple and easy to complete, requiring (a) personal/contact information, (b) a statement of the quantity of products purchased during the Class Period, and (c) your affirmation that the information provided is true and correct. In exchange for receiving a monetary payment, under the Settlement Agreement, you will give up your rights to sue Barlean’s about the same claims in this lawsuit.

Claim forms must be postmarked, faxed, or submitted online no later than [DATE (within 56 days of commencement of full class notice)].

2. Exclude Yourself from the Settlement and Do Not Receive Compensation

If you do not want to be bound by this settlement, you must request to be excluded from the Class. If you request to be excluded from the Class, you will retain any individual rights you have against Barlean’s and will not have “released” it from any claims. However, you will *not* receive the compensation described above. You may not object to the Settlement under this option. If you wish to be excluded from the Class (also referred to as “opting out”), you must download and print an Opt-Out Form from the Settlement Website (www.BarleansCoconutOilSettlement.com), fill out and sign the form, and mail it to the class action administrator, postmarked on or before [DATE (within 56 days of commencement of full class notice)], at the following address:

3. Object to the Settlement

If you want to express an objection to part or all of the Settlement, you may appear at the Final Approval Hearing and/or object to the proposed Settlement. If the Settlement is approved, you will still receive the Settlement compensation and be bound by the Settlement Release.

If you wish to object, you must, no later than [DATE (56 days of commencement of full class notice)], file a signed, written objection with the Court, and serve copies on Class Counsel and Barlean's Counsel. The objection must contain:

- (i) a title that clearly identifies the Action (“*Testone et al. v. Barlean’s Organic Oils, LLC*, Case No. 3:19-cv-00169-RBM-BGS”) and that the document is an objection;
- (ii) information sufficient to identify and contact the objecting Class Member or his or her attorney if represented;
- (iii) information sufficient to establish the person’s standing as a Settlement Class Member;
- (iv) a clear and concise statement of the Class Member’s objection, as well as any facts and law supporting the objection;
- (v) the objector’s signature; and
- (vi) the signature of the objector’s counsel, if any.

If you wish to appear at the Final Approval Hearing, you should, no later than [DATE (within 56 days of commencement of full class notice)], file with the Court and serve on Class Counsel and Barlean's Counsel at the addresses set forth below, a Notice of Intent to Appear, either in person or through an attorney.

More detailed instructions and requirements for objecting are set forth in the Court’s Preliminary Approval Order, which is available on the Class Settlement Website, at www.BarleansCoconutOilSettlement.com.

12 the notice is not only in print media, but extensive television and radio notice,
13 community outreach, -- and I think this is perhaps going to be more of a
14 trend, but it's a major element of the notice here -- online, social media, out of
15 home, i.e. billboards, and earned media, including bloggers and creative
16 messaging. That with a combined with a simplified proof of claims form and
17 the ability to file a claim or first, get more information about filing a claim

19 online or by mail. Based on Ms. Finegan’s supplemental declaration, it
20 appears clear to me that that process of providing notice has been quite
21 successful in its goal in ultimately reaching roughly 95 percent of all adults in
22 the United States over the age of 18 with an average frequency of message
23 exposure of six times, as well as over 80 percent of all adults in Canada with

10 “The Court considered the extensive experience of Jeanne C. Finegan and the notice
11 program she developed. . . There is no national firearms registry and Taurus sale
12 records do not provide names and addresses of the ultimate purchasers... Thus, the
13 form and method used for notifying Class Members of the terms of the Settlement
14 was the best notice practicable. . . . The court-approved notice plan used peer-
15 accepted national research to identify the optimal traditional, online, mobile, and
16 social media platforms to reach the Settlement Class Members.”

17 Additionally, in the January 20, 2016, Transcript of Class Notice Hearing, p. 5, Judge Seitz
18 noted:

19 “I would like to compliment Ms. Finegan and her company because I was quite
20 impressed with the scope and the effort of communicating with the Class.”

21
22 **SETTLEMENT CLASS DEFINITION**

23 12. The proposed Notice Plan is designed to inform Class Members of the proposed class action
24 settlement among the Parties. Pursuant to the Settlement Agreement, the Class is defined as:

25 All persons who in the United States, during the Class Period, purchased Coconut
26 Oil Products, including Barlean’s Organic Virgin Coconut Oil (16-, 32-, and 60-oz.),
27

1 Barlean’s Organic Culinary Coconut Oil (32- and 60-oz.), and Barlean’s Organic
2 Butter Flavored Coconut Oil (16- and 32-oz.)), for personal or household use during
3 the Class Period.

4
5 **SUMMARY OF NOTICE PLAN ELEMENTS**

6 13. The proposed Notice Plan includes the following components to reach Class Members:

- 7 • Online display banner advertising;
- 8 • Keyword search online advertising;
- 9 • Social media advertising through Facebook, Instagram, YouTube, and Pinterest.
- 10 • A press release;
- 11 • CLRA notice via newspaper;
- 12 • An informational website on which the notices and other important Court documents
13 will be posted; and
- 14 • A toll-free information line by which Class Members can call 24/7 for more
15 information about the Settlement, including, but not limited to, requesting copies of
16 the Full Class Notice.

17 **CONSUMER RESEARCH AND FACTORS IN NOTICE DEVELOPMENT**

18
19 14. In addition to the media research data, described below, Kroll’s media team studied various
20 sources on how consumers tend to use coconut oil and perceptions concerning its health effects.

21 15. Understanding how consumers perceive a product and use this information in making
22 purchase decisions is a cornerstone to developing effective audience targeting and media
23 placements. It allows the Notice Plan to focus on websites and content that are contextually relevant
24 sources of information to these consumers. This is why as described below, we are casting a broad
25 Notice Plan net to reach Class Members who may currently use the product for its nutritional
26 characteristics, or those who may perceive it as a healthy food, approved for among other things,

1 diets such as Paleo and Keto. We also take into consideration those who may be current purchasers
2 as well as those who are not brand loyal and use Barlean's along with competitive brands.

3
4 **METHODOLOGY FOR THE APPLICATION OF APPROPRIATE NOTICE**

5 16. Further target insight is guided by best-in-class nationally syndicated media research data
6 provided by MRI-Simmons Research ("MRI"),⁶ and online measurement comScore,⁷ among others,
7 to provide media consumption habits and audience delivery verification of the potentially affected
8 population. This tells us which media channels the target audience of Class Members prefer and
9 then how many of them the Notice Plan is estimated to reach. Based on this research, our cutting-
10 edge approach to notice focuses on the quality of media exposure, engagement, and appropriate
11 media environment.

12 17. These data resources are used by numerous advertising agencies nationwide as the basis to
13 select the most appropriate media to reach specific target audiences. The resulting key findings are
14 instrumental in our selection of media channels and outlets for determining the estimated net
15 audience reached through the Notice Plan. Specifically, this research identifies which media
16 channels are favored by the target audience, (*i.e.*, Class Members). Further, this research identifies
17 browsing behaviors on the Internet, which social media channels are visited, and which magazines
18 are read, by Class Members.

19 18. By using these media research tools, we can create target audience characteristics or
20 segments and then select the most appropriate media and communication methods to best reach
21 them. The first step is to define them within our media research. Here, we are using the applicable
22 MRI media definition "*purchasers of 'other specialty' cooking oils including coconut oil.*"

23
24 _____
25 ⁶ MRI's *Survey of the American Consumer*® is the industry standard for magazine audience ratings
26 in the U.S. and is used by the majority of media and marketing agencies in the country. MRI
27 provides comprehensive reports on demographic, lifestyle, product usage and media exposure.

28 ⁷ comScore is a global Internet information provider on which leading companies and advertising
agencies rely for consumer behavior insight and Internet usage data.

1 19. This MRI media definition is a proxy definition for the Class as no nationally syndicated
 2 media research data provides an exact target audience brand definition for Barlean’s coconut oils.
 3 But importantly, the target audience is broader than the definition of the Settlement Class by
 4 including other specialty cooking oils and coconut oil brands and is many times larger in size than
 5 the estimated Class size. As reported by MRI, this target audience is approximately 40 million
 6 individuals in the United States. Utilizing an overinclusive proxy audience is commonplace in both
 7 class action litigation and advertising generally,⁸ particularly where, as in the instant matter, an
 8 exact class size is not possible to calculate given the lack of adequate individual purchasing data.⁹
 9 By casting a wide net, the Notice Plan accounts for those who: 1) infrequently purchase the product;
 10 and 2) those who are not brand-loyal, or who may have switched to another brand.

11 **OBJECTIVE MEASURES TO QUANTIFY TARGET AUDIENCE REACH**

12

13 20. This media research technology allows Kroll to accurately report to the Court the estimated
 14 percentage of the target audience that will be reached and the average number of times members of
 15 the target audience will have the opportunity to see the message. In advertising, this is commonly
 16 referred to as a “reach and frequency” analysis, where “reach” refers to the estimated percentage of
 17 the unduplicated audience exposed to the campaign, and “frequency” refers to how many times, on
 18 average, the target audience had the opportunity to see the message. The calculations are used by

19
 20 ⁸ “If the total population base (or number of class members) is potentially unknown, it is accepted
 21 advertising and communication practice to use a proxy-media definition, which is based on
 22 accepted media research tools and methods that will allow the notice expert to establish that
 23 number. The percentage of the population reached by supporting media can then be established.”

25 ⁹ While it is common for brands to track total sales units, in my experience, it is less common for
 26 them to precisely know the exact total unique net number of consumers who make these purchases
 27 over extended periods of time. However, I am informed by Class Counsel that they believe there are
 28 approximately 500,000 Class Members.

1 advertising and communications firms worldwide and have become a critical element to help
2 provide the basis for determining adequacy of notice in class actions.

3 21. Here, the reach percentage of over 70% exceeds the guidelines as set forth in The Federal
4 Judicial Center’s Judges’ Class Action Notice and Claims Process Checklist and Plain Language
5 Guide¹⁰ to implement a notice program which reaches a majority of Settlement Class Members.

6 **PROCESS CONCERNING HOW DIGITAL ADS TARGET AN AUDIENCE**
7

8 22. To ensure that digital display¹¹ ads are shown to the correct person, in the correct
9 environment and at the right time, Kroll will employ a media buying tactic known as
10 “programmatic advertising.” That means digital display banner ads will be served to a targeted user
11 wherever they may browse on the internet. A programmatic Notice Plan may employ tens-of-
12 thousands of websites visited by these users. For this Notice Plan, the targeting will focus on
13 contextually relevant websites and content, which may include among numerous others.

14 23. For the instant matter, programmatic advertising combines consumer data, computer
15 software and algorithms to specifically serve ads to individuals through:

- 16 1) *Contextual Targeting*, which is a technique used to serve the advertising
17 impressions to the intended audience based on a website’s content. Ads are targeted
18 to sites that fall into specific topics, or sites that feature specific content where ads
19 are targeted to pages matching specific keywords and topics.

24 suggests that the minimum threshold for adequate notice is 70%. *See id.* at pp. 1, 3.

25 ¹¹ Digital display banner ads appear across online publishers which are *not* social media platforms.
26 Social media ads appear only on social media platforms, such as Facebook, Instagram Pinterest and
27 YouTube. Social media advertising is separate and apart from display advertising (*i.e.*, Google
28 Display Ads), as social media advertising focuses on demographic characteristics and followers of
certain pages, likes, interests and hashtag content. The notice program will retarget (*i.e.*, provided
reminder ads), those who visited the Settlement website.

KEY TARGET AUDIENCE MEDIA USE INSIGHTS

28. Numerous brands and advertising agencies use objective syndicated data tools, like the ones described above, to quantify net reach. These sources ensure that advertising placements are measured against advertising standards so that the placements can be reported accurately. This method of using objective syndicated media research data and tools has been embraced by numerous Courts to provide the basis for evaluating the efficacy of a Notice Plan.

29. Here, the target audience has been reported to have the following characteristics according to MRI: More than 80% of the target audience is over the age of 35, and nearly 70% are women. Of this target audience, over 95% have been online in the last 30 days. In the last 30 days, 67% report that they have visited Facebook, 56% report that they have spent time on YouTube, and 22% report that they have spent time on Pinterest.

PUBLICATION ELEMENTS ONLINE DISPLAY BANNER ADS

30. As discussed above, this campaign will employ a programmatic¹³ approach across multi-channel and inventory sources. Display ads will be targeted to reach those who have an interest in healthy cooking, cooking with coconut oil, organic and natural foods as well as those who are on Paleo and Keto diets.¹⁴ Display ads will be contextually targeted to content related to cooking fats and oils, healthy cooking, organic and natural foods, Keto approved foods and Paleo food. Additionally, MRI reports that 56% of this target audience shops on Amazon, therefore ads will also be targeted to Amazon shoppers.

¹³ Programmatic refers to a media buying tactic which combines consumer data, computer software and algorithms to serve digital ads to the right person at the right time and in the right context.

GOOGLE KEY WORD AND SEACH TERMS

31. Further, keyword search advertising will supplement the Notice Plan to show advertisements to users in their Google Search results. This will help drive Settlement Class Members to the Settlement Website who are actively searching for information about the Settlement. When a user conducts a search for Settlement-related content, a sponsored ad link appears, which provides brief information about the Settlement and directs them to the Settlement Website.

SOCIAL MEDIA ADS ON FACEBOOK, INSTAGRAM, PINTEREST AND YOUTUBE

33. Social media ads on Facebook and Instagram will appear in a user’s Newsfeed, in their “Stories,” or in their “Reels.” These ads will employ multiple layers of targeting and will focus on people who have *liked, followed, or interacted* with relevant pages, accounts, videos or posts and tags.

Kroll will target those who like or follow these pages:

- Costco Facebook page: 2.6M people like this
- Costco Instagram page: 1.1M followers
- Mary Ruth’s Facebook page: 108K people like this
- Mary Ruth’s Instagram page: 419K followers
- Nature’s Way Brands Facebook page: 24K people like this
- Nature’s Way Brands Instagram page: 18K followers
- Nutiva Facebook page: 148K people like this
- Nutiva Instagram page: 70K followers
- Puritan’s Pride Facebook page: 371K people like this
- Puritans Pride Instagram page: 25K followers

34. Additionally, Kroll will target relevant pages such as Ketogenic Diet Recipes Facebook page which has 186K followers. Kroll will also target users based on hash tagged topics including *#coconutoilcooking, #organiccookingoil, #cookingoil.*

1 35. On **Pinterest**, promoted pins (ads) will be placed using contextual and key word targeting
2 tactics. Ads will appear on pages related to topics including Barlean’s, coconut oil cooking, healthy
3 cooking/recipe content, Keto and Paleo diet cooking.

4 36. On **YouTube**, display ads will be served to users when they view video content related to
5 healthy cooking, cooking with coconut oil, Barlean’s and Keto or Paleo diets, among others.

6 37. **Retargeting.** Additionally, social media ads will retarget, (i.e., provide reminder ads) to
7 people who visit the Settlement Website.

8 39. In total, it is estimated that more than 40 million impressions will be served across display
9 and social media for this Notice Plan.

10 **CLRA NOTICE**

11 40. In order to be compliant with California’s Legal Remedy Act “CLRA” Code §1750, et seq.,
12 the Summary Notice will be published in the Los Angeles edition of *USA Today*, once a week for
13 four consecutive weeks. *USA Today’s* Los Angeles edition has a circulation of 8,100.
14

15 **ACTIVE CAMPAIGN MANAGENT TO MITIGATE DIGITAL AD FRAUD**

16 41. Kroll actively manages its legal notice plans. Kroll’s media team intends to optimize the
17 media in this Notice Plan to ensure digital ads appear on quality publishers and that the ads are
18 served in brand safe environments. These tactics help to improve Class Members’ opportunities to
19 see the Notice Plan ads.

20 42. Further, to mitigate digital ad fraud, or non-human viewership of the digital Notice Plan, and
21 to confirm/validate impression delivery, Kroll engages validation technology from, among others,
22 Integral Ad Science (“IAS”) and comScore’s Content Activation. These layers of validation and
23 verification help to ensure that the Notice Plan ads are being targeted to real websites where actual
24
25
26
27
28

1 (human) Settlement Class Members are likely to visit, rather than serving ads to websites and bots
2 attempting to fraudulently earn advertising revenue from the campaign.¹⁵

3 43. To this end, online ads will be tagged with specific codes which will validate the
4 impressions. Further, digital ad logs will be examined for fraudulent anomalies such as ads being
5 called to data centers, uncommon browser sizes and outdated browser versions as well as other
6 parameters that are indicators of non-human traffic. In addition, through these efforts, we will
7 identify which websites are generating validated human click-throughs to the Settlement Website
8 and in turn, we are able to optimize impressions to those sites. Any online impressions identified as
9 invalid will be culled from the final reach calculation reported to the Court.

10
11 **PRESS RELEASE**

12 44. A press release will be issued over PR Newswire's USA1 Newswire. PR Newswire's
13 distribution includes thousands of print and broadcast newsrooms nationwide, as well as websites,
14 databases and online services including featured placement in news sections of leading content
15 portals.

16 45. Kroll intends to monitor various media channels for subsequent news articles and various
17 social mentions as a result of the notice efforts. A complete report on the results will be provided to
18 Class Counsel upon completion of the media program.

19 46. In this case, Counsel has advised that the Class consists of approximately 500,000
20 purchasers. Each class settlement is unique, and in my experience many factors tend to influence
21 response rates and claim submission. These factors include benefit to be received, the perceived
22 physical or financial harm by the issue at hand, brand awareness and favorability, the perceived
23 value of the benefit, and the effort required to file a claim among others.

24
25
26
27 ¹⁵ See: You Probably Don't Think Digital Ad Fraud Doesn't Affect You. Think Again.

https://innovation.media/magazines/how_digital_ad_fraud_affects_everyone

1 Consequently, there is no formula to project response rates with any certainty, even when Class
2 Members are exposed to a highly targeted and reasonably calculated notice program., Nevertheless,
3 based on our experience, in a matter of this nature, and the scope of work, among other factors,
4 Kroll estimates that it would be reasonable to assume a claim rate between 1% to 3%.

5 47. Based on Kroll’s current understanding of the class and requested administration
6 services, estimated fees and expenses for notice and administration are approximately \$185,750 for
7 fees and costs for notice and claims administration under the Settlement. The current estimate is
8 subject to change depending on factors such as the actual Settlement class size and/or any
9 Settlement administration scope change not currently under consideration.

10 **OFFICIAL SETTLEMENT WEBSITE**

11
12 48. An informational website will be established and maintained by Kroll (the “Settlement
13 Website”). The Settlement Website URL will be determined and approved by Class Counsel and
14 defendant’s counsel (planned to be www.BarleansCoconutOilSettlement.com). The Settlement
15 Website will contain a summary of the Settlement, will allow Class Members to contact the Claims
16 Administrator with any questions or changes of address, provide notice of important dates such as
17 the Fairness Hearing, Claims Deadline, Objection Deadline, and Opt-Out Deadline, and provide
18 Class Members who file Claim Forms online the opportunity to select payment by ACH, check, or
19 an electronic payment method, including Venmo, Zelle, and Paypal.

20 **TOLL-FREE INFORMATION LINE**

21
22 49. Kroll will establish and maintain a 24-hour toll-free IVR telephone line, where callers may
23 obtain information about the Settlement.

24 **CONCLUSION**

25 50. In my opinion, the Notice Plan reflects a particularly appropriate, highly targeted, and
26 contemporary way to provided notice to Class Members. The Notice Plan is designed to reach an
27 estimated 71 percent of targeted Class Members. In my opinion, the efforts to be used in this
28

1 proposed Notice Plan are of the highest modern communication standards, are reasonably calculated
2 to provide notice, and are consistent with best practicable court-approved notice programs in similar
3 matters and the Federal Judicial Center’s guidelines concerning appropriate reach.

4 51. At the conclusion of the notice program, and in conjunction with consideration of final
5 approval of the Settlement, Kroll will submit a declaration confirming that it has implemented the
6 Notice Plan and will provide any other information requested by the Court.

7

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA**

MICHAEL TESTONE, COLLIN SHANKS,
and LAMARTINE PIERRE, on behalf of
themselves, all others similarly situated, and the
general public,

Plaintiffs,

vs.

BARLEAN’S ORGANIC OILS, LLC,

Defendant.

Case No: 3:19-cv-00169-RBM-BGS

**ORDER GRANTING MOTION FOR
PRELIMINARY APPROVAL OF
CLASS SETTLEMENT**

Judge: Hon. Ruth Bermudez Montenegro

1 WHEREAS, the above-entitled action is pending before this Court (the “Action”);

2 WHEREAS, Plaintiffs Michael Testone, Collin Shanks, and Lamartine Pierre have
3 moved, pursuant to Federal Rule of Civil Procedure 23(e), for an order approving the
4 Settlement of this Action in accordance with the [DATE], 2022 Class Action Settlement
5 Agreement (“Settlement Agreement”) attached as Exhibit 1 to the Declaration of Paul K.
6 Joseph in Support of Plaintiffs’ [DATE] Motion for Preliminary Approval of Class Settlement
7 (the “Motion”), which Settlement Agreement sets forth the terms and conditions for a
8 proposed classwide settlement of the Action;

9 WHEREAS, the Court, has read and considered the Settlement Agreement, Plaintiffs’
10 Motion, and the arguments of counsel;

11 **NOW, THEREFORE, THE COURT HEREBY FINDS AND ORDERS AS**
12 **FOLLOWS:**

13 1. Settlement Terms. All capitalized terms herein have the same meanings ascribed
14 to them in the Settlement Agreement.

15 2. Jurisdiction. The Court has jurisdiction over the subject matter of the action and
16 over all parties to the action, including all members of the Settlement Class.

17 3. Preliminary Approval of Proposed Settlement Agreement. The Court finds that,
18 subject to the fairness hearing, the proposed Settlement Agreement is fair, reasonable,
19 adequate, and within the range of possible approval considering the possible damages at issue
20 and defenses to overcome. The Court also finds that the Settlement Agreement: (a) is the
21 result of serious, informed, non-collusive, arms-length negotiations, involving experienced
22 counsel familiar with the legal and factual issues of this case; and (b) meets all applicable
23 requirements of law, including Federal Rule of Civil Procedure 23, and the Class Action
24 Fairness Act (“CAFA”), 28 U.S.C. § 1715. Therefore, the Court grants preliminary approval
25 of the Settlement.

26 4. Class Certification for Settlement Purposes Only. The Court conditionally certifies, for
27 settlement purposes only, a Settlement Class defined as all persons who in the United States,
28

1 during the Class Period, purchased Coconut Oil Products (defined by the Settlement
2 Agreement), for personal or household use. Excluded from the Class are: (a) persons or
3 entities who purchased Coconut Oil Products for the purpose of resale or distribution; (b)
4 persons who are directors and Officers of Barlean's or its parent, subsidiary, or affiliate
5 companies; (c) governmental entities; (d) persons who timely and properly exclude
6 themselves from the Class as provided in the Agreement; (e) persons who signed a release of
7 Barlean's for compensation for the claims arising out of the facts or claims asserted in the
8 Action; and (f) any judicial officer hearing this Action, including his or her immediate family
9 members and employees.

10 5. The Court finds, for settlement purposes only, that class certification under
11 Federal Rule of Civil Procedure 23(b)(3) is appropriate in the settlement context because (a)
12 the Settlement Class Members are so numerous that joinder of all Settlement Class Members
13 is impracticable; (b) there are questions of law and fact common to the Settlement Class which
14 predominate over any individual questions; (c) the claims of the Plaintiffs and proposed Class
15 Representatives are typical of the claims of the Settlement Class; (d) the Plaintiffs and
16 proposed Class Representatives and their counsel will fairly and adequately represent and
17 protect the interests of the Settlement Class Members; (e) questions of law or fact common
18 to the Settlement Class Members predominate over any questions affecting only individual
19 Settlement Class Members; and (f) a class action is superior to other available methods for
20 the fair and efficient adjudication of the controversy.

21 6. Class Representatives. The Court appoints Plaintiffs Michael Testone, Collin
22 Shanks, and Lamartine Pierre as Class Representatives.

23 7. Class Counsel. The Court appoints Fitzgerald Joseph LLP as Class Counsel.

24 8. Settlement Class Administrator. The Court hereby approves Kroll to act as Class
25 Administrator. Kroll shall be required to perform all the duties of the Class Administrator as
26 set forth in the Agreement and this Order.

1 9. Qualified Common Fund. [---] is authorized to establish the Common Fund
2 under 26 C.F.R. §§ 1.468B-1(c) and (e)(1), to act as the “administrator” of the Common Fund
3 pursuant to 26 C.F.R. § 1.468B-2(k)(3), and to undertake all duties as administrator in
4 accordance with the Treasury Regulations promulgated under § 1.468B of the Internal
5 Revenue Code of 1986. All costs incurred by the Class Administrator operating as
6 administrator of the Common Fund shall be construed as costs of Claims Administration and
7 shall be borne solely by the Common Fund. Interest on the Common Fund shall inure to the
8 benefit of the Class.

9 10. Class Notice. The Court approves the form and content of the Class Notice in
10 the long form attached to the Settlement Agreement as Exhibit **1**, the short form attached to
11 the Settlement Agreement as Exhibit **2**, and the other forms of notice submitted with
12 Plaintiffs’ Motion for Preliminary Approval. The Court finds that dissemination of the Class
13 Notice as proposed in the Settlement Agreement and in Kroll’s Notice Plan as set forth in the
14 **[DATE]** Declaration of Jeanne C. Finegan, meets the requirements of Federal Rule of Civil
15 Procedure 23(c)(2), and due process, and further constitutes the best notice practicable under
16 the circumstances. Accordingly, the Court hereby approves the Notice Plan.

17 11. Objection and Opt-Out/Exclusion Deadline. Settlement Class Members who
18 wish either to object to the Settlement or to exclude themselves from the Settlement must do
19 so by the Objection Deadline and Opt-Out/Exclusion Deadline of **[date]**. Settlement Class
20 Members may not both object to and exclude themselves from the Settlement. If a Settlement
21 Class Member submits both a Request for Exclusion and an Objection, the Request for
22 Exclusion will be controlling.

23 12. Exclusion from the Settlement Class. To submit a Request for Exclusion,
24 Settlement Class Members must follow the directions in the Notice and submit online at the
25 settlement website by the Opt-Out/Exclusion Deadline, or send a compliant request to the
26 Class Administrator at the address designated in the Class Notice, postmarked by the
27
28

1 Exclusion Deadline. No Request for Exclusion may be made on behalf of a group of
2 Settlement Class Members.

3 13. All Settlement Class Members who submit a timely, valid Request for Exclusion
4 will be excluded from the Settlement and will not be bound by the terms of the Settlement
5 Agreement and any determinations and judgments concerning it. All Settlement Class
6 Members who do not submit a valid Request for Exclusion by [date], in accordance with the
7 terms set forth in the Agreement, will be bound by all determinations and judgments
8 concerning the Agreement.

9 14. Objections to the Settlement. To object to the Settlement, Settlement Class
10 Members should follow the directions in the Notice and file with the Court or mail to the
11 Class Administrator a written Objection by the Objection Deadline. In the written Objection,
12 the Settlement Class Member should include (i) a caption or title that clearly identifies the
13 Action and that the document is an objection, (ii) the Settlement Class Member's name,
14 current address, and telephone number, or—if objecting through counsel—his or her lawyer's
15 name, address, and telephone number, (iii) the Coconut Oil Product(s) the Settlement Class
16 Member bought during the Class Period, (iv) a clear and concise statement of the Class
17 Member's objection, as well as any facts and law supporting the objection, (v) the objector's
18 signature, and (vi) the signature of the objector's counsel, if any. Upon the Court's Order at
19 the parties' request, the parties will have the right to obtain document discovery from and
20 take depositions of any objecting Settlement Class Member on topics relevant to the
21 Objection.

22 15. If a Settlement Class Member does not submit a written Objection to the
23 Settlement or to Class Counsel's application for attorneys' fees and costs or the Service
24 Awards in accordance with the deadline and procedure set forth in the Class Notice and this
25 Order, but the Settlement Class Member wishes to be appear and be heard at the Fairness
26 Hearing, the Settlement Class Member may do so provided the Objector satisfies the
27 requirements of Federal Rule of Civil Procedure 23(e)(5)(A) at the Fairness Hearing.
28

1 16. Objecting Settlement Class Members may appear at the Fairness Hearing and be
 2 heard. Such Class Members are requested, but not required, in advance of the Fairness
 3 Hearing, to file with the Court or mail to the Class Administrator a Notice of Intent to Appear.

4 17. All Members of the Settlement Class, except those who submit timely Requests
 5 for Exclusion, will be bound by all determinations and judgments regarding the Settlement,
 6 whether favorable or unfavorable to the Settlement Class.

7 18. Submission of Claims. To receive a Cash Award, Settlement Class Members
 8 must follow the directions in the Class Notice and file a claim with the Class Administrator
 9 by the Claims Deadline of [date], 2022. Settlement Class Members who do not submit a claim
 10 will not receive a Cash Award but will be bound by the Settlement.

11 19. Schedule of Future Events. The Court adopts the schedule proposed by
 12 Plaintiffs, as follows (with Day “0” the date of this Order):

| Event | Day | Approximate Weeks After Preliminary Approval |
|---|-----|--|
| Date of Preliminary Approval Order | 0 | - |
| Deadline to Initiate Notice Plan | 14 | 2 weeks |
| Deadline for Plaintiffs to file Motion for Attorneys’ fees, costs, and incentive awards | 56 | 8 |
| Notice completion date and deadline to make a claim, opt out, or object | 70 | 10 |
| Deadline for Plaintiffs to file Motion for Final Approval | 84 | 12 |
| Fairness Hearing Date | 112 | 16 |

21
 22 20. Fairness Hearing. A Fairness Hearing is scheduled for [date], 2022, at [time]
 23 a.m./p.m., for the Court to determine whether the proposed settlement of the Action on the
 24 terms and conditions provided for in the Settlement Agreement is fair, reasonable, and
 25 adequate to the Settlement Class and should be finally approved by the Court; whether a
 26 Judgment should be entered; and to determine any amount of fees, costs, and expenses that
 27 should be awarded to Class Counsel and the amount of any service awards to Plaintiffs. The
 28

1 Court reserves the right to adjourn the date of the Fairness Hearing without further notice to
2 the members of the Settlement Class, and retains jurisdiction to consider all further
3 applications arising out of or connected with the proposed Settlement. The Court may approve
4 the Settlement, with such modifications as may be agreed to by the settling parties, if
5 appropriate, without further notice to the Settlement Class.

6 21. Stay of Proceedings. All proceedings in this action are stayed until further order
7 of this Court, except as may be necessary to implement the Settlement or comply with the
8 terms of the Settlement Agreement.

9 22. Pending the final determination of whether the Settlement should be approved,
10 the Settlement Class Representatives and all Settlement Class Members are hereby stayed
11 and enjoined from commencing, pursuing, maintaining, enforcing, or prosecuting, either
12 directly or indirectly, any claims released under the Settlement Agreement in any judicial,
13 administrative, arbitral, or other forum, against any of the released parties. Such injunction
14 will remain in force until Final Approval or until such time as the parties notify the Court that
15 the Settlement has been terminated. Nothing herein will prevent any Settlement Class
16 Member, or any person actually or purportedly acting on behalf of any Settlement Class
17 Member(s), from taking any actions to stay or dismiss any released claim(s). This injunction
18 is necessary to protect and effectuate the Agreement, this Preliminary Approval Order, and
19 the Court's flexibility and authority to effectuate the Agreement and to enter Judgment when
20 appropriate, and is ordered in aid of this Court's jurisdiction and to protect its judgments.
21 This injunction does not apply to any person who files a timely, valid Request for Exclusion.

22 23. If the Settlement is not approved or consummated for any reason whatsoever,
23 the Settlement and all proceedings in connection with the Settlement will be without prejudice
24 to the right of Defendant or the Class Representatives to assert any right or position that could
25 have been asserted if the Agreement had never been reached or proposed to the Court, except
26 insofar as the Agreement expressly provides to the contrary. In such an event, the certification
27 of the Settlement Class will be deemed vacated. The certification of the Settlement Class for
28

1 settlement purposes will not be considered as a factor in connection with any subsequent class
2 certification issues.

3 24. No Admission of Liability. By entering this Order, the Court does not make any
4 determination as to the merits of this case. Preliminary approval of the Settlement Agreement
5 is not a finding or admission of liability by Barlean’s. Furthermore, the Agreement and any
6 and all negotiations, documents, and discussions associated with it will not be deemed or
7 construed to be an admission or evidence of any violation of any statute, law, rule, regulation,
8 or principle of common law or equity, or of any liability or wrongdoing by Barlean’s, or the
9 truth of any of the claims. Evidence relating to the Agreement will not be discoverable or
10 used, directly or indirectly, in any way, whether in this Action or in any other action or
11 proceeding, except for purposes of demonstrating, describing, implementing, or enforcing the
12 terms and conditions of the Agreement, this Order, the Final Approval Order, and the
13 Judgment.

14 25. Retention of Jurisdiction. The Court retains jurisdiction over the Action to
15 consider all further matters arising out of or connected with the Settlement Agreement and
16 the settlement described therein.

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA**

MICHAEL TESTONE, COLLIN SHANKS,
and LAMARTINE PIERRE, on behalf of
themselves, all others similarly situated, and the
general public,

Plaintiffs,

vs.

BARLEAN’S ORGANIC OILS, LLC,

Defendant.

Case No: 3:19-cv-00169-RBM-BGS

**ORDER GRANTING MOTION FOR
FINAL APPROVAL OF CLASS
SETTLEMENT**

Judge: Hon. Ruth Bermudez Montenegro

1 The Court having held a Final Approval Hearing on [date], 2022, notice of the Final
2 Approval Hearing having been duly given in accordance with this Court’s Order Granting
3 Preliminary Approval of the Class Action Settlement, and having considered all matters
4 submitted to it at the Final Approval Hearing and otherwise, and good cause appearing
5 therefore,

6 **THE COURT HEREBY FINDS AND ORDERS AS FOLLOWS:**

7 1. Incorporation of Other Documents. The Class Action Settlement Agreement
8 dated [date], 2022, including its exhibits (collectively, “Settlement Agreement”), and the
9 definitions of words and terms contained therein are incorporated by reference in this Order.
10 The terms of this Court’s Preliminary Approval Order are also incorporated by reference in
11 this Order.

12 2. Jurisdiction. This Court has jurisdiction over the subject matter of this Action
13 and over the Parties, including all members of the following Settlement Class certified for
14 settlement purposes in this Court’s Preliminary Approval Order: all persons who in the United
15 States, during the Class Period, purchased Coconut Oil Products (defined by the Settlement
16 Agreement), for personal or household use. Excluded from the Class are: (a) persons or
17 entities who purchased Coconut Oil Products for the purpose of resale or distribution; (b)
18 persons who are directors and Officers of Barlean’s or its parent, subsidiary, or affiliate
19 companies; (c) governmental entities; (d) persons who timely and properly exclude
20 themselves from the Class as provided in the Agreement; (e) persons who signed a release of
21 Barlean’s for compensation for the claims arising out of the facts or claims asserted in the
22 Action; and (f) any judicial officer hearing this Action, including his or her immediate family
23 members and employees.

24 3. Class Certification. For purposes of settlement only, the Settlement Class, as
25 defined in the Settlement Agreement and above, meets the requirements of Federal Rule of
26 Civil Procedure Rule 23(a) and 23(b). Accordingly, for purposes of settlement, the Court
27 finally certifies the Settlement Class.
28

1 4. Adequate Representation. The Class Representatives and Class Counsel have
2 adequately represented the Settlement Class in accordance with Federal Rule of Civil
3 Procedure 23(e)(2)(A).

4 5. Arms-Length Negotiations. The Settlement Agreement is the product of arms-
5 length settlement negotiations between the Plaintiffs and Class Counsel, on the one hand, and
6 Defendant and its counsel, on the other, in accordance with Federal Rule of Civil Procedure
7 23(e)(2)(B).

8 6. Class Notice. The Class Notice and claims submission procedures set forth in
9 Sections X and X of the Settlement Agreement, and the Notice Plan filed on [date], 2022,
10 fully satisfy Rule 23 of the Federal Rules of Civil Procedure and the requirements of due
11 process, were the best notice practicable under the circumstances, provided individual notice
12 to all Settlement Class Members who could be identified through reasonable effort, and
13 support the Court’s exercise of jurisdiction over the Settlement Classes as contemplated in
14 the Settlement Agreement and this Order. *See* Fed. R. Civ. P. 23(e)(2)(C)(ii).

15 7. CAFA Notice. The notice provided by the Class Administrator to the appropriate
16 State and federal officials pursuant to 28 U.S.C. § 1715 fully satisfied the requirements of
17 that statute.

18 8. Settlement Class Response. A total of [number] Settlement Class Members
19 submitted timely and proper Requests for Exclusion, as reported in the declaration of the
20 Class Administrator submitted to this Court. The Court hereby orders that each of the
21 individuals listed by the Class Administrator as having submitted a valid Request for
22 Exclusion is excluded from the Settlement Class. Those individuals will not be bound by the
23 Settlement Agreement, and neither will they be entitled to any of its benefits.

24 9. Objections. A total of [number] Settlement Class Members submitted timely and
25 proper Objections to the Settlement Agreement. Having considered those Objections and the
26 Parties’ responses to them, the Court finds that none of the Objections is well founded.
27 Plaintiffs faced serious risks both on the merits of their claims and on the ability to maintain
28

1 certification as a litigation class in this matter. The relief provided to the Settlement Class
2 pursuant to the Settlement Agreement is adequate, given the costs, risks, and delay of trial
3 and appeal, and taking into consideration the attorney’s fees this Court has awarded. *See* Fed.
4 R. Civ. P. 23(e)(2)(C)(i), (iii). The Settlement also treats class members equitably relative to
5 each other. *See* Fed. R. Civ. P. 23(e)(2)(D).

6 10. Final Settlement Approval. The Court hereby finally approves the Settlement
7 Agreement, the exhibits, and the Settlement contemplated thereby (“Settlement”), and finds
8 that the terms constitute, in all respects, a fair, reasonable, and adequate settlement as to all
9 Settlement Class Members in accordance with Rule 23 of the Federal Rules of Civil
10 Procedure, and directs its consummation pursuant to its terms and conditions.

11 11. Attorneys’ Fees and Costs; Service Awards. The Court approves Class
12 Counsel’s application for attorneys’ fees and costs in the amount of \$ _____ in
13 fees and \$ _____ in costs; and approves service awards of \$ _____ for
14 Plaintiffs Michael Testone, Collin Shanks, and Lamartine Pierre. The Settlement Agreement
15 provides for Class Counsel’s Fee Award to be paid before the time to appeal this Order has
16 expired. If the Fee Award is voided or reduced on appeal, either directly or as a result of the
17 final approval of the Settlement as a whole being vacated, overturned, reversed, or rendered
18 void as a result of an appeal, Class Counsel shall within thirty (30) days repay either to the
19 Common Fund or to Barlean’s the affected amount of the attorneys’ fees and costs paid to
20 Class Counsel, in an amount proportionate to the distribution among Class Counsel’s firms,
21 in accordance with the directions in the Settlement Agreement. By receiving any payments
22 pursuant to the Settlement Agreement, Fitzgerald Joseph LLP and their shareholders,
23 members, and/or partners submit to the jurisdiction of this Court for the enforcement of the
24 reimbursement obligation set forth herein and in the Settlement Agreement. If Class Counsel
25 fails to timely repay the attorneys’ fees and costs that are owed under this provision, the Court
26 shall be entitled, upon application of Barlean’s and notice to Class Counsel, to summarily
27 issue orders, including but not limited to judgments and attachment orders against each of
28

1 Class Counsel.

2 12. Dismissal. The Court hereby DISMISSES WITH PREJUDICE, without costs to
3 any party, except as expressly provided for in the Settlement Agreement, the Action, as
4 defined in the Settlement Agreement.

5 13. Release. Upon the Effective Date as defined in the Settlement Agreement, the
6 Plaintiffs and each and every one of the Settlement Class Members unconditionally, fully,
7 and finally releases and forever discharges the Released Parties from the Released Claims.

8 14. Injunction Against Released Claims. Each and every Settlement Class Member,
9 and any person actually or purportedly acting on behalf of any Settlement Class Member(s),
10 is hereby permanently barred and enjoined from commencing, instituting, continuing,
11 pursuing, maintaining, prosecuting, or enforcing any Released Claims (including, without
12 limitation, in any individual, class or putative class, representative or other action or
13 proceeding), directly or indirectly, in any judicial, administrative, arbitral, or other forum,
14 against the Released Parties. This permanent bar and injunction is necessary to protect and
15 effectuate the Settlement Agreement, this Final Order of Dismissal, and this Court's authority
16 to effectuate the Settlement Agreement, and is ordered in aid of this Court's jurisdiction and
17 to protect its judgments.

18 15. No Admission of Liability. The Settlement Agreement and any and all
19 negotiations, documents, and discussions associated with it will not be deemed or construed
20 to be an admission or evidence of any violation of any statute, law, rule, regulation, or
21 principle of common law or equity, or of any liability or wrongdoing by Defendant, or the
22 truth of any of the claims. Evidence relating to the Agreement will not be discoverable or
23 admissible, directly or indirectly, in any way, whether in this Action or in any other action or
24 proceeding, except for purposes of demonstrating, describing, implementing, or enforcing the
25 terms and conditions of the Agreement, the Preliminary Approval Order, or this Order.

26 16. Findings for Purposes of Settlement Only. The findings and rulings in this Order
27 are made for the purposes of settlement only and may not be cited or otherwise used to support
28

1 the certification of any contested class or subclass in any other action.

2 17. Effect of Termination or Reversal. If for any reason the Settlement terminates or
3 Final Approval is reversed or vacated, the Settlement and all proceedings in connection with
4 the Settlement will be without prejudice to the right of Defendant or the Class Representatives
5 to assert any right or position that could have been asserted if the Agreement had never been
6 reached or proposed to the Court, except insofar as the Agreement expressly provides to the
7 contrary. In such an event, the certification of the Settlement Classes will be deemed vacated.
8 The certification of the Settlement Classes for settlement purposes will not be considered as
9 a factor in connection with any subsequent class certification issues.

10 18. Injunctive Relief. By attaching the Settlement Agreement as an exhibit and
11 incorporating its terms herein, the Court determines that this Final Order complies in all
12 respects with Federal Rule of Civil Procedure 65(d)(1).

13 19. Retention of Jurisdiction. Without affecting the finality of the Judgment, the
14 Court reserves jurisdiction over the implementation, administration, and enforcement of the
15 Judgment and the Agreement and all matters ancillary to the same.

16 20. Entry of Judgment. The Clerk of the Court is directed to enter Judgment.
